

# HAZEL WINE CO

WILLAMETTE VALLEY, OREGON

## 2020 WILLAMETTE VALLEY PINOT NOIR

Hazel Wine Company was inspired by many years of harvesting and crushing with wineries of friends turned family in Dayton and Yamhill-Carlton. Our name is inspired by the bounty of this unique farming region and we are guided by the commitment our community has to sustainable and earth-friendly practices. Both the Pinot Noir grape and the Hazel tree thrive in the volcanic soils and mountains of this Maritime climate which yield only the highest quality of each. We remain focused on highlighting the Willamette Valley and respecting all things rooted in Nature.

## 2020 VINTAGE

While 2020 may not be a year fondly remembered across the valley, our diligence in working with winery partners paid off in what we feel may be our best Classic Pinot Noir vintage ever. It's not every year we are able to source our full production from one single vineyard.

## TASTING NOTE

On the nose, this wine expresses notes of black cherry and strawberry. Soft, rich and ripe fruit on the palate with a long complex finish.

Pairs beautifully with barbecue chicken, cedar plank salmon and lamb.

### VARIETALS

100% Pinot Noir  
11% Whole Cluster  
Fermentation

### SOIL

Ocean Sedimentary

### OAK AGING

9 months in French Oak,
